Rockford College and The Objectivist Center provided me with sabbatical support during the 1999-2000 academic year. To both institutions I am grateful for the thinking and writing time that enabled me to complete the first draft of this book.

Michael Newberry, Chris Sciabarra, Robert Campbell, William Thomas, James Eby, and John Reis gave me helpful feedback on various parts of the manuscript.

Thanks to Anja Hartleb for her hard work and fine eye in double-checking the footnotes and proof-reading the manuscript.

David Kelley has been a colleague and friend to me over the years. His encouragement and comments at all stages of this project have meant a great deal to me.

Finally, I also thank Roger Donway for many enjoyable and wide-ranging weekend conversations when we had the offices to ourselves, for his careful reading of the manuscript, and for his gentle yet persistent urging—without which this book would have had many fewer footnotes.
